# Melchsee-Frutt

## The natural pearl in the heart of Switzerland

In the middle of the Central Switzerland and only about 30 kilometres away from Lucerne, the sunny high plateau is located on nearly 2'000 m.a.s.l.

Enjoy about 50km hiking and mountain trails around the Frutt-Lakes or on the promising summits. Or what do you think about a refreshing scooter ride?

If the calves are tired, you can hop on the Fruttli-train. The viewing platform of the panorama lift offers a great view over the Melchsee and the numerous barbecue sites invites you for a grill pleasant with all your beloved ones.

The climbing Eldorado offers for beginners and summiteer exactly the best terrain. And also the heart of every mountain lake fisherman rises on Melchsee-Frutt; fishing in one of the three crystal clear mountain lakes fulfils the dream of every fisherman.

Numerous hotels and mountain restaurants cares for culinary climaxes and promise unforgettable moments in the midst of a splendid mountain scenery.

With pleasure we present you an individual offer with attractive group prices.
